## Freeman

This is Freeman High School. This is the building, the students, the faculty, and the traditions of an institution dedicated to an intangible something called "F" Spirit.

### To the Patrons of School District 358:

The Annual Staff and the Student Body of Freeman High School would like to thank all of the people who have put forth their time, money and effort to make Freeman High the outstanding school it is today. We are grateful for the beautiful school building that you have given us and the better opportunities that you have afforded us.

### To the School Board:

We would like to send our thanks and gratitude for your very good job in making possible the building of this school. We are thankful for your unselfish work in surmounting all obstacles in the path of a better educational system. To you we are grateful.

### To the Taxpayers of District 358:

We give our sincere thanks for withstanding the extra burden of taxes in order that we might have a better educational system. We are greatly indebted to you for, if it were not for you, we could not have a Freeman High School of which to be proud.

Our thanks to all of you for your backing of a better educational system for all the future generations.

## Dedication

The Annual Staff of 1958 dedicates this, the first annual of Freeman High School, to Mr. Muse, our superintendent, and Mr. Overholser, our principal, who have successfully spent much time and effort in making into one the student bodies of Lindbergh and Rockford.

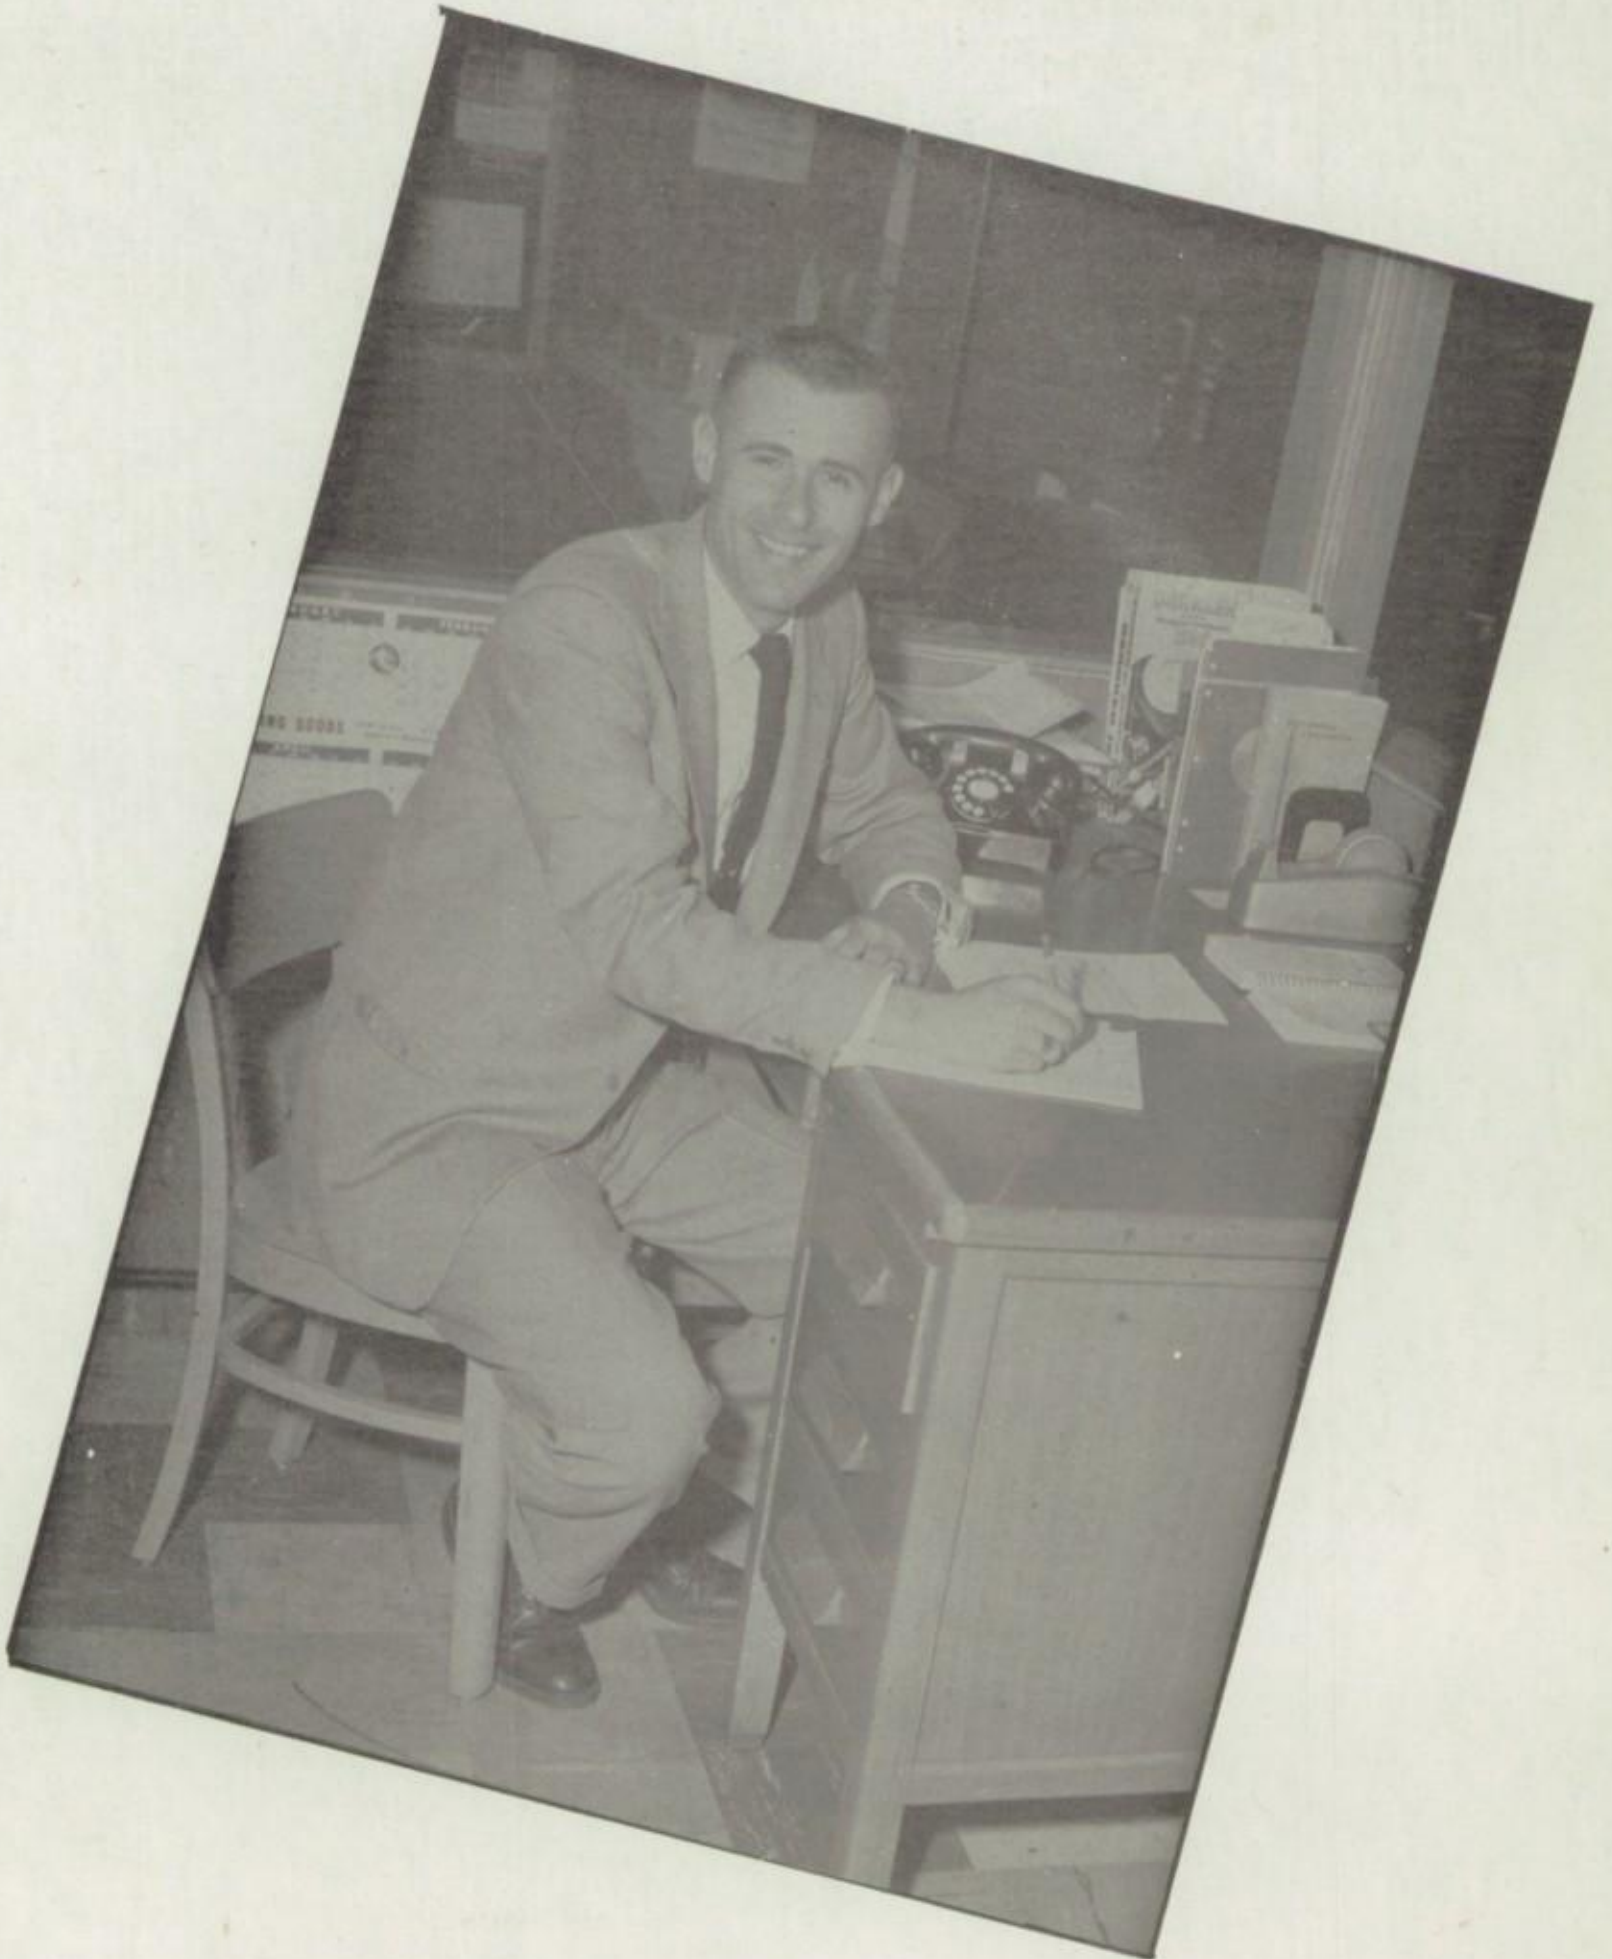

### To MR. MUSE

We are grateful for his foresight in seeing the advantages of the consolidation of the two schools and for all the work that he has put toward the school in the past years.

To MR. OVERHOLSER

We are grateful for his work on the great task of combining the two student bodies to work in harmony and for his job in ironing out the main problems that have arisen.

To these two people we dedicate this Annual for their efforts and wish them the best of luck in the future.

## Senior Class History

As the door closes behind the first graduating class of Freeman High School, we have had an opportunity to view the successful consolidation of two different groups of students.

This class of 1958 started out as the Freshmen of Rockford and Lindbergh High Schools and continued as such until the end of their Junior year.

As Freshmen, neither class did very much in their respective schools except to sponsor several dances. As Sophomores, the Lindbergh students won honors when their candidate, Della Boy, was crowned queen of the Fall Festival.

As Juniors, more was accomplished. The Rockford students presented a one-act play called "The Sheriff". They also gave the graduating Seniors a breakfast before their sneak. They also gave a prom the theme of which was "Green Door". The Lindbergh Students gave a dance and a play to earn money. The name of their play was "Heroes Just Happen". They also honored the Seniors with a banquet and a prom, the theme of which was "South Sea Island".

The first joint project of the two classes was a party that was given for the student body early in December of 1957. A Senior play, "Curtain Going Up", was presented in March of 1958.

We hope we have made a good beginning for the years to come.

## Senior Class Prophecy

"Good evening, ladies and gentlemen. This is Del Koch with the latest news of today, May 28, 1970.

The big news of the day, of course, is that of the United States man-carrying rocket successfully reached the moon. The rocket, carrying its designer, Dr. James Hamilton and his assistances arrived at its destination at exactly 3:00 P.M. today. The president announced the news at a special news conference early this evening. Further information is classified at this time.

Deona Kopp, the famous model, reported today that a \$5,000 mink coat was stolen from her New York apartment while she was visiting friends. The police report that they have no clues to the theft.

New York cartoonist, John Gruber, an expert on Modern art was in Spokane today to look at an amateur painting by Gene Ashmore, a dealer in Ford cars in Rockford, Washington.

Mickey Vens, owner of Ven's grocery chain stores has recently sold his business to Eleanor Sheard Barks, the wealthy owner of a chain of beauty parlors.

A tragedy darkens the news tonight. During the brief lightning storm last night, lightning struck a farmhouse at Valleyford, Washington burning it to the ground. Michael Morden, owner, reports that \$20,000 worth of damages was done. Fortunately, he has insurance to cover the damages.

Don Sahli, popular recording star and teenage idol, has been inducted into the Navy for two years. His latest recording has sold over two million copies.

A new progressive educational program, developed by W. S. C. president, Dr. Stana Smith, is in its experimental stages at the college. "This program features less studying with more social life."

"This is Max Hemmert, interrupting this broadcast to bring you the great news about a new product which your sponsor has just recently introduced to the public. It is the newest, most revolutionary discovery yet------. Thank you for your kind attention. Now back to the news."

"The news of a new type of wheat brightens the agricultural outlook for next year. Fred and Frank Primmer, co-owners of a plant nursery in Spokane, announced at a meeting of the Washington Wheat Growers' Association that they have developed a new type of wheat. The wheat, named Prime, will yield at least 120 bushels an acre.

Karen Dick Nelson, wife of the Joint Chief of Staff of the Navy is honoring the President and his wife at a banquet given in her mansion in Washington D. C. tonight. Over two hundred guests, all members of the government are invited to the gala affair.

In foreign news tonight, Nina Strahl, a missionary, arrived in England to talk with King Charles at the palace. She is seeking more aid so that she may continue her work with the head-hunters in Africa.

Frank McCoy, a Fuller Brush man has won his case in court. His lawyer, Carroll Sharp proved that his case was stronger than that of the defendant. Mr. McCoy was suing Mr. and Mrs. William Blank for damages done to him when he was bitten by their dog while on the job.

Winner of the Oscar for the best actress of the year, Dana Lane, announced her intentions to quit the movies and devote her time to television.

Joan Cross, editor of the New York Times, has flown to Florida for a month's vacation. She will attend a newspaper editors convention while she is there.

# Freeman Grabs Title by Beating Cardinals

**Freeman Tops Rosalia**  
**FREEMAN, Wash., Dec. 12.**—Everett Fry's 18 points were high for the Freeman high school basketball team in a narrow 50-49 win over Rosalia in a nonleague game here this week.  
 David Danielson led Rosalia with 14 points. Rosalia led 25-23 at the half.

**MEDICAL LAKE, Wash., Feb. 4.**—Freeman high school clinched the Spokane county B league basketball championship tonight by taking a 46-44 triumph over Medical Lake's Cardinals.

The win also gave the Scotties a berth in the district tournament and ruined Medical Lake hopes for a tourney slot.

Before this final league game for the two clubs, Freeman and Medical Lake had been in a triple tie for first place, along with Otis Orchards. Otis lost to Spangle tonight.

For a time, it seemed as if Medical Lake would trim the Scotties with ease. The Cardinals took an 11-7 lead at the end of the first period and increased the margin to 18-8 after three minutes were gone in the second quarter.

But the Scotties suddenly snarled back, whittled away at the Cardinal bulge and finally took a 36-34 lead at the end of the third period. Freeman then ran it out to 40-32 before Medical Lake began a rally that died at the buzzer just two points shy of a tie.

Mike Myers of Medical Lake was the game's top scorer with 14 points. The point leaders for Freeman were Everett Fry with 12 and Bob Collins with 11.

## FREEMAN FINDS RANGE

**FREEMAN, Wash., Feb. 8.**—Freeman high caught fire in the second and third quarters tonight to defeat Deer Park, 51-36, in a nonconference basketball game. Freeman saw 10 players score for the winners.

The victory gives Freeman a 14-game season record.

The Stags stayed close until the second quarter when the rebounding of Everett Fry began to tell. He hauled in nine rebounds in the first half and was high in that department for Freeman with 13 for the game.

Chester Sharp hustled well on defense which helped Freeman hold Deer Park to but six points in the third quarter.

## FREEMAN BOOMS

**FREEMAN, Wash., Jan. 24.**—Freeman boomed to its 11th basketball win of the season tonight by defeating Latah, 79-28. It was a Spokane County league B game and leaves the winners with points in the second half but a 2-loop record.

Freeman lost its first league games and has been undefeated since.

Jerry Slinkard scored 15 for Freeman and Bill Mickelbohm at 14.

Ron Krell and Bernie Ellis both had eight for Latah.

## RALLY FALLS SHORT

## MEDICAL LAKE

**14.**—Freeman the Spokane basketball champ taking a 46-44 triumph over Medical Lake's Cardinals tonight in a game that ended with a disputed basket. Freeman was leading, 49-48, with seconds to go when Pat Wall got the ball, dashed for the basket and fired as the clock ticked off the final split seconds. The basket was good, but officials ruled it was not fired in time. Wall fouled a man on the shot, but it made no difference.

For a time, Medical Lake won

## FREEMAN, SPANGLE WIN

**FREEMAN, Wash., Dec. 27.**—Freeman high school defeated Riverside, 49-48, in the Spokane county North-South basketball tourney tonight in a game that ended with a disputed basket.

Freeman was leading, 49-48, with seconds to go when Pat Wall got the ball, dashed for the basket and fired as the clock ticked off the final split seconds. The basket was good, but officials ruled it was not fired in time. Wall fouled a man on the shot, but it made no difference.

## RIVERSIDE TIPS SCOTTIES

**FREEMAN, Dec. 6.**—Fouls cost Freeman dearly tonight as the Scotties lost a 51-45 Spokane nonconference game tonight to Riverside. Behind, 29-22, at the half, the losers rallied to within three points in the second half but couldn't get closer as four out of five of their starters fouled out.

Larry Henry led Riverside with 14 points, 12 of them garnered from the free throw line. Everett Fry matched Henry's total for Freeman.

**RIVERSIDE (51)**—Pat Wall 12, Dick Cunningham 5, Don Dasalho 5, Tom Evans 5, Larry Henry 14.

## FREEMAN, 43-42

**MILAN, Wash., Jan. 17.**—Freeman high school overtook Riverside in the last minute of play tonight to stay among the leaders of the Spokane county class B league with a 43-42 victory over the pless Ramblers.

Riverside held a 42-38 lead with 59 seconds left. But Freeman's Olmstead bucketed a field goal and Hank Owens two free throws to make it 42-all in the dying moments.

Then with just one second left on the clock, Olmstead hit a free throw to give Freeman the victory.

Owens was the game's highest man with 16 counters. Pat

## FREEMAN ROLLS

There were 46 fouls called in the rough game, 26 on Freeman and 20 on Fairfield. The contest was close in the first two periods with Freeman holding a 27-21 lead, but Freeman control a goose Scotties moved out in the third and led 23-20 at the end of the period to win going away.

Hank Owen of Freeman was the end of the threat for the game with 14 points. Off a Medical Felber had 12 for Fairfield.

David Danielson led Rosalia with 14 points. Rosalia led 25-23 at the half.

Seth Fletcher and Pete Guard each had 10 for Otis Orchard. Freeman's Gene Ashmare was the game high scorer with 14.

## FREEMAN WINS FOURTH

**ST. MARIES, Dec. 21.**—Freeman's Scotties won their fourth in a row tonight, whipping St. Maries, 42-36, and limiting their foes to just one field goal in the second half.

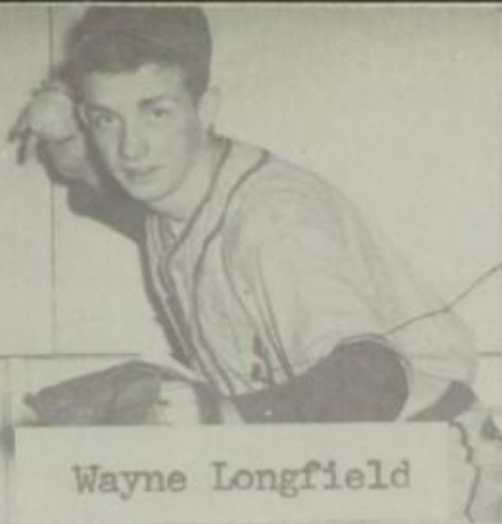

Freeman led by only two points with just three minutes to go but the Scotties picked up the tempo to finish strong over their Idaho hosts.

Everett Fry led a well-balanced attack for the winners with 12 points. No St. Maries player was able to reach double figures.

Your Dubious Editor

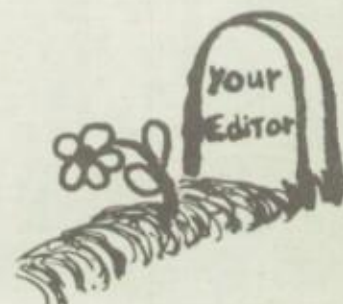

Well, guys and gals, now that you have come to the end of the 1958 edition of the FREEMAN ANNUAL, what do you think of it?

You know, putting out an annual like this isn't all fun. At times the publishing of the annual seemed like it was going to turn out to be just a lot of.....  
 .....Drastic mistakes  
 .....Suffering hours, with  
 .....Little glory.

## Editors Page

There were times when I would spend hours trying to get one party on the telephone. I was beginning to think we were going to publish a book of busy signals, but.....

THROUGH  
 AT  
 LAST!!!

.....with a last look at the empty halls and deserted yards we bid a farewell to Freeman High. And the 1958 FREEMAN ANNUAL comes to.....

The Hallowed Halls of Freeman
